GEAR TOWARDS PROVIDING
INDUSTRIES WITH THE BEST IN POWER PLANT SERVICES BY
A HIGHLY SKILED TEAM

COMPANY OVERVIEW

RKT VENTURES SDN BHD (902939-H) RKT VENTURES was established on 29 January 1998 by a young man who possessed a high vision.

It has been operating for more than 10 years. Our main core businesses are cleaning works, supply manpower, mechanical works, civil works and maintaining services.

In 2007, RKT launched the company motto "TOWARDS ADVANCEMENT" and in 2005, motto has been achieved through hard work of efficient management to develop the compan

RKT UPHOLDS TO THE HIGH ESTEEM
THE TRUST GIVEN BY OUR CUSTOMERS,
IN OUR BID TO DELIVER A TOP-NOTCH
QUALITY WORK IN OUR SERVICES. WE
VELIEVE THE MAIN REASON TO
ESTABLISH A BUSINESS IS TO ASSIST
OTHERS IN THEIR NEEDS.

ABOUT US

RKT has been steered by a hands-on management team. This top level involvement has welded together a confident and highly motivated workforce, and guarantees personal attention and follow through for optimum service and customer satisfaction.

Having all the equipment in the world, yet little output or impact is what we at RKT is up against; with the key team with extensive technical experience, one can easily tell why the company only recruit the most professional and experienced team members. Key team prior experience in supply, operate and maintain mobile equipment and provision for coal yard services at coal handling facility, cleaning, mechanical work, electrical and instrumentation to fulfill local industry needs.

RKT's initial role was as a contractor to service Power Plant industry in the country. Consequently, the key team members discovered that there are bigger market opportunities yet to be tapped. Besides currently, there are yet to be many competitors.

We have secured and executed major orders in tandem with the company's principals to continue its proactive course towards delivering high quality results.

We, at RKT uphold to the highest esteem the trust given by our customers, in our bid to deliver a top-notch quality work in all our services. We believe the main reason to establish a business is to assist others in their needs, while at the same time continuously enrich oneself with wide-ranging knowledge. This complements the words of Prophet Muhammad SAW's that propagates the same virtue;

"The best among you are those who bring greatest benefits to the rest of mankind"

(Narration: Daraqutni, Hasan)

The background of the slide is a black and white photograph of an industrial setting, likely a refinery or chemical plant. It shows various pipes, valves, and structural elements. A prominent feature on the right side is a vertical pipe with a tag attached to it that reads "SCAFFOLD". The entire image is overlaid with a solid green rectangle that contains the text.

VISION

- ✓ Becoming a market leader in maintenance and cleaning services in coal, ash, oil and gas industries with own solution and high end technology

MISSION

- By doing our business to allow our clients to make their business more successful and at the same time help them achieve their vision and mission.

CORE VALUES

- Understanding needs and deliver result
- Reliability
- Integrity
- Trust

OUR GOAL

To become a recognized and reputable player in the power plant industry in Malaysia and a well known key player in Asia in the next five years.

FIELD OF SERVICES

RKT construct and maintains industrial plants, led by a highly qualified and skilled team that delivers efficient and reliable services for power plant industry
